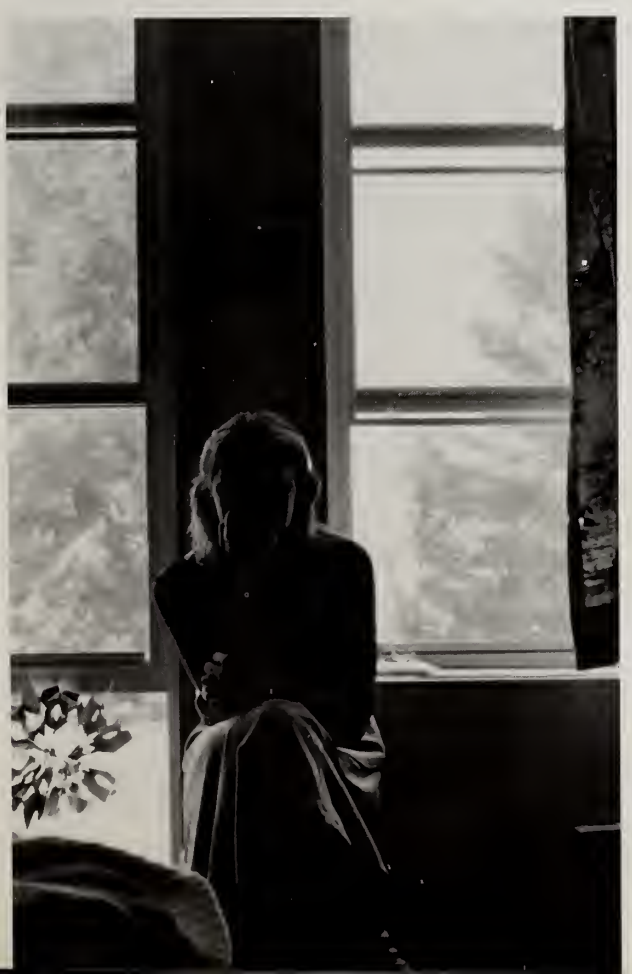
Live, Love,

Laugh, And Learn



Living in live and laughter,
one is bound to learn.
Growth can be obtained through
knowledge from those who are
willing to share it;
it is entirely embedded
in our minds.

We are together, but seperate.
We are unique yet a
uniqueness only developed
when expressed to others.

We have united in new experiences,
broadened our interests, and
increased our creativity.

We have relaxed, enjoyed,
and absorbed the good times
we have had together.

Hannah -
I wish you the best of things in the years to come and also lots a luck. I know you'll graduate next year and then will be about to see the world. Wherever you go you will have my best wishes. Just be sure to keep your chin up. Remember that one true friend is worth a handful of those that only know how to take. All you have to do is distinguish between the two. I have the highest of hopes for you and I know you can fulfill everyone of them once you set your mind to it. Please don't let others hurt you and don't let mistakes bog you down. Take care and lots a luck

Don't Quit

When Things Go Wrong As They Sometimes Will,
When The Road Your Trudging Seems All Uphill,
When The Funds Are Low And The Debts High,
And You Want To Smile But You Have To Sigh,
When Care Is Pressing You Down A Bit,
Rest If You Must, But Don't Quit,
Life Is Queer With Its Twists And Turns,
As Everyone Of Us Sometime Learns,
And Many A Failure Turns About
When She Might Have Won She Stuck It Out:
Don't Give Up Though The Pace Seems Slow,
You May Succeed With Another Blow.
Success Is Failure Turned Inside Out -
The Silver Tint Of The Clouds Of Doubt,
And You Never Can Tell Just How Close You Are
It May Be Near When It Seems So Far,
So Stick To The Fight When You're Hardest Hit,
Its When Things Seem Worst That You
Must Not Quit!

Laugh If You Are Wise

What greater thing
is there
for human souls
than to feel that they

to minister

and to be
with each other
in silent
unspeakable memories ...

K-Day

An Experience For Staff And Students

K-days are spent developing from new experiences. Our first K-day was an outdoor adventure. Throughout the day we participated in activities such as golf, canoeing, hiking, and learning camping techniques; with a break in the afternoon for a mean cooked fun style! Our second K-day was spent examining our beauty and health care habits. Throughout the day we attended different sessions pertaining to the study of nutrietion, clothing, hair care, face care, and exercising.

Spirit Week

An annual event as S.M.A. sponsored by Student Council to promote school spirit. This year the jubulant Juniors topped the classes and won the spirit trophy for 1979.

Dear Rhonnah,

Sorry about that! I have really enjoyed watching you mature this year. You have improved in everything you have done. You are always dependable and hard working. It is good to be able to count on you. I think the students have also sensed that you have changed, and they accept you so much better this year. I am really looking for good things from you next year. Do have a good summer even if you have to work hard. Looking forward to sharing with you again next year. Mrs. McKiernan

To Ere Is Human,
To Forgive Divine.

Today is only memories for tomorrow.
All things will pass.
Childhood slowly unravels into aging.
The time on the clock will never be the same.
Moments now will never happen again.
Life must go on.

Not one sunset is ever the same.
Nor it's rising but similiar.
The leave that drops is gone forever.
A patterned snowflake can fall but once.
Only change will stay the same.
For it is constant.
